

Thursday School

1779 GRANVILLE PIKE
LANCASTER, OHIO 43130
740-687-1332

Dear Parents/Guardians:

Thursday School is a class offered for children who are 4 years old by September 30, 2010. We meet on Thursday mornings from 9:15 a.m. to 12:00 p.m. Testing is on September 2, 2010, classes start on September 9th and go through April 7, 2011. We are offering an academically based curriculum. The curriculum will include and exceed suggested state requirements for entering kindergarten. The children will participate in crafts, singing, Bible stories, gym, math, science, social studies and snacks.

There is a registration fee of \$120 for the year. \$60 is expected when we receive your registration form (only then will a spot will be reserved for your child). The remaining \$60 of the registration fee is due on the day you bring your child in for testing. This year testing is on September 2, 2010. If you wish to pay for both semesters at one time that is also acceptable.

ALL OF OUR TEACHERS ARE VOLUNTEERS so all of the registration fee you pay will go toward your child's supplies. Please return the attached registration form along with your check made payable to the *Lancaster Church of Christ* as soon as possible to ensure your child's enrollment. (If we have a check returned to us for non-sufficient funds we will be required to charge you \$36. This is the amount the bank charges us when a check is returned due to lack of funds. This is not something that we want to do, but in order to continue this program and charge the minimum amount possible, we will have to be reimbursed for a NSF fee.)

On September 2, 2010 we will test your child so we can place them in one of our four classes of eight students. In August you will receive instructions in the mail to call and reserve a testing time, a calendar for the year, a list of supplies for your child to bring on the first day of school and forms to fill out. The forms, supplies and the second \$60 installment can be turned in on September 2, 2010 when you bring your child in for testing.

We work on a two-year rotation. If your child's birthday falls so that they can attend for two years the stories and homework papers will be different each year.

We look forward to meeting you and your child and sharing an exciting year together.

In Him,

Joyce Aebi

Thursday Pre-K Coordinator
